Autumn Term 2024

Can you believe that it is September already?! We hope you have all had a relaxing summer and that your children are ready and raring to go.

Please remember that children are expected to be in school at 8:45am prompt. There will be a learning task ready as soon as they arrive.

Hello from Mrs Turner...

I would like to take this time to introduce myself; my name is Mrs Turner and I am very excited to be joining Mrs Davidson in teaching Badger class this year. I am looking forward to getting to know all the children in the class and hope to meet you all in person over the coming term. I will be teaching on a Monday, Tuesday and Wednesday.

When I am not in school, I enjoy playing for my local cricket team and reading, especially historical fiction.

Learning this term

We have an exciting fun filled curriculum planned for the coming term (please see curriculum overview). We will be focussing on History, Art and Computing this half term and Geography, DT and Music after the October break. Other subjects will be taught weekly.
