

Kingfisher Class Newsletter

Friday 8th November 2024

This week in Kingfisher Class...

English: We watched the story of *The Way Back Home* and orally retold the story, using the past tense. We used a range of question starter words to write our own questions for the main characters.

Maths: Using our understanding of place value, we added ones to two-digit numbers, noticing how the tens number doesn't change. We also investigated efficient ways of adding three one-digit numbers and bridging to the tens number first when adding.

PSHRE: Today, Kingfisher Class took part in a *Speak out, Stay safe* workshop delivered by a representative from the NSPCC. Earlier on in the week, we learnt about situations where we are unsafe and how we can speak up and seek help.

Forest School: Photos of Group B's learning can be found at

<https://www.hinghamprimary.org.uk/forest-school/> .

Notices and messages:

1. We have started a new D.T topic called 'Sensational Salads.' As part of this topic, we will be sampling and tasting a range of different salad items. Please could you let me know if your child has any allergies or any other reason why they might not be able to join in with this lesson. All children will be encouraged to look at, smell and have a little taste of the food that we have chosen.
2. We look forward to seeing parents and carers next week for Parents' Evening.
3. Group B Forest School – Please come to school in your Forest School kit on Wednesday. We will change into extra layers, wellies and waterproofs after lunch.
4. Please could all Kingfishers bring their reading books to school every day so they are ready to read with an adult or quiz if they are AR readers.
5. We have started to practise the nativity this week. In the next few weeks, we will be sending communication home explaining who needs to wear what on the night so please keep your eyes peeled for this. We have many costumes in school so hopefully very few items will be needed from home.
